

Travellers' Gourmet Wine Holidays

The appreciation and enjoyment of good food and wine is a past time that is centuries old. Here in New Zealand we haven't let our relatively remote location be a hindrance to continuing such a fine tradition.

We arrange independent wine holidays to some very special food and wine regions, including Auckland, Hawke's Bay, Gisborne, Martinborough, Nelson, Marlborough, Canterbury and Central Otago.

Our range of independent self drive wine tours offer a choice of hotel or B&B accommodation. Itineraries range from 4 - 15 days, either single island or nationwide, or can be customised to suit you. Daily departures.

What better way to explore New Zealand than vineyard to vineyard?
