### Accommodation Pick of the Month – Maple Lodge, Wanaka

Nestled in a 7 acre garden planted with over 100 maple trees, Maple Lodge B&B was purpose built with comfort and style in mind. Individually designed guest suites, with private bathrooms, feature private patio or balcony with spectacular mountain views. A cosy lounge area with wood fire is the perfect retreat after a day's skiing, snowboarding, hiking or trout fishing. Prize-winning muffins take centre stage daily amidst a generous breakfast menu featuring fresh local produce. Take a break at Maple Lodge – or stay a little longer.

### My Favourite Place – Marlborough Sounds

Located at the top of the South Island, accessible from either Picton or Havelock is perhaps one of New Zealand's best kept secrets - the idyllic Marlborough Sounds. A vast maze of deep channels, sheltered waterways and secluded bays all embraced by bush clad hills. Popular activities include fishing, sea kayaking and walking part of the Queen Charlotte walkway, or like me you can just kick back, relax and enjoy the tranquil beauty of this special place. *By Christine Ewers, Senior Travel Consultant*

### Luxury Rail / Coach Holidays

These fully escorted coach holidays feature 5 of New Zealand's renowned rail journeys. The list includes the Glenbrook Vintage Railway and restoration workshops, the truly spectacular TranzCoastal which hugs the rugged Kaikoura coastline, the latticework viaducts of the Taieri Gorge Ltd, the Kingston Flyer powered by a Pacific AB Class steam loco and the world famous TranzAlpine which crosses the rugged Southern Alps. Regular departures Jan – May 2009. Let us check availability for you.
